FOR IMMEDIATE RELEASE:

2006: THE YEAR OF *THE LAST LIBERAL*

Dramatic Women is delighted to announce its forthcoming production of *THE LAST LIBERAL*, a new comedy by Bob Potter, premiering February 17 – 23 at Santa Barbara's Center Stage Theater.

It's 2042, America is a corporation run by a gang of inept fanatics and a cloned figurehead, and liberals are an endangered species. The play begins as the last remnants are being hunted down. Who turns out to be The Last Liberal? What tribulations and raptures lie ahead? Does he/she escape to lead a surprising and successful New American Revolution? In your dreams! And in our play!

The cast for this premiere production includes Martin Bell, Marisa Casados, Brittany Conyers, Brian Hansen, Sage Parker Lang, Nanci Mendez, Robert Reichel, Justin Stark and Joseph Velasco. *THE LAST LIBERAL* will be staged by rising New York Director (and ex- Dramatic Women member) Heather Ondersma, with sets and lighting by Vickie Scott and costumes by Elizabeth Shepard.

Plan now to join us for an evening of provocative satire and infectious good fun. The show will play February 17-18 and 23 - 25, all performances at 8 pm. Tickets are now on sale at the Center Stage Theater box office on the second level of Santa Barbara's Paseo Nuevo, by phone at (805) 963-0408 or online at [www.centerstagetheater.org](http://www.centerstagetheater.org)
